

SUMMER 2017

MONETTA LETTER

A NEWSLETTER FOR CUSTOMERS AND FRIENDS OF MONETTA FARRIER SPECIALTIES

22nd Annual Spring Fling

We had an awesome 22nd Annual Spring Fling and Open House! Josh Stanley, CJF presented an outstanding clinic and we had a great crowd. We cannot thank Farrier Product Distribution enough for their generous sponsorship of the event. Many vendors were also on site and donated for the door prizes. Thank you, thank you for all the support!

Product INFORMATION

Vettec Users - Don't Forget to Prime Your Cartridge

For best results, don't forget to prime each new cartridge before it is used. To prime your cartridge, place the cartridge in the gun, cut the tip and squirt out a dime size amount before attaching the mixing tip.

PRODUCT SPOTLIGHT

Products that we feel would be of value to you and your customers. Please give us a call if you have questions.

Groom's Hand Thrush Solution

Groom's Hand is designed to eliminate unwanted and stubborn thrush. With a convenient built in pick at the bottom of the can simply pick the hoof and spray the solution. Say goodbye to messy liquids and hello to a new, innovative technology that blasts thrush away. Comes in a 3.5 oz aerosol can with attached hoof pick.

B-Gone

New packaging of the same great product! A copper sulfate based product for treatment of white line disease. The new packaging allows for easy, direct application to the affected area most often with a single treatment.

Heller Excel Legend

10% wider yet more balanced and lighter with a larger working surface for improved leveling, efficiency and control. This rasp is special for wet conditions and leaves a smooth, glossy finish.
