MONETTA LETTER

A NEWSLETTER FOR CUSTOMERS AND FRIENDS OF MONETTA FARRIER SPECIALTIES

A Successful Spring Fling

We had an awesome 23rd Annual Spring Fling and Open House!

Jim Quick, CJF presented an outstanding clinic on Horseshoeing Jim's Way 101 and Dr Rob Boswell, DVM presented on Navicular and the use of Osphos. We cannot thank the American Farriers Association and Dechra enough for their generous sponsorship of the event. Many manufacturers were also on site to show and teach about their products. The new location proved to be another awesome clinic venue. Thank you, thank you for all the support! We look forward to the opportunity to host many more educational events in our future.
